# MARCO CALDONE

## Brand Ambassador Orsadrinks

Marco Caldone started to work in the drink industry in 1994 and then as a **bartender in 1996.** He learned much of what he knows working with influent people all around the world: UK, France, Spain, Belgium, Germany, Qatar and many more countries! Today, he is the owner of **La Maison du Barman** (Paris) and he is also the owner and managing Director of **BarConsultingArt** bartender school (Paris). Thanks to his over 20 years of experience and in depth understanding of the bar, restaurant and hospitality industry, he gave an essential support to our R&D department in the **creation of Stillabunt Magic Velvet** cocktail foamer and **Stillabunt Bitters.**

# BITTERS

Bitters are **concentrated** drink ingredients flavored with botanicals for a bitter or bittersweet taste. As the name suggests, bitters add an element of bitterness, but they can also add a little sweetness and a touch of **complexity**: when combined, these features produce a beverage that is i**nfinitely more interesting**.

Adding this sensation to a flavor profile that's heavy on other primary tastes deepens its character, creating an ever **more attractive** and enjoyable **drinking experience**.
